MANUAL SAUSAGE CLIPPER USER MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

SAFETY INSTRUCTION AND PRECAUTIONS

Symbol	Symbol Description
	Warning: To reduce the risk of injury, the user must read the instructions manual carefully.
	This symbol, placed before a safety comment, indicates a kind of precaution, warning, or danger. Ignoring this warning may lead to an accident. To reduce the risk of injury, fire, or electrocution, please always follow the recommendations shown below.

WARNING:

1. Read carefully and understand all **ASSEMBLY AND OPERATION INSTRUCTIONS** before operating.
2. This product may cause harmful interference. Failure to follow the safety rules and other basic safety precautions may result in serious personal injury.
3. Before using the clipper, ensure that the work area is clean and tidy, and avoid debris obstructing the operation.
4. During the operation, keep your fingers away from the impact area of the nail gun to avoid accidental injury.
5. When using a sausage clipper, maintain a stable posture and avoid hand shaking or sliding to ensure that the nail can be accurately fixed on the target object.

Product Use:

Mainly used for binding various metal buttons, decorative buttons, I-shaped buttons, and eyelets, it is widely used in clothing factories and leather bag processing enterprises.

Disclaimers

1. We attach great importance to the safety and quality of our products, but cannot assume responsibility for safety accidents caused by improper use or operation.
